DETAILED ACTION

1. This Office Action is in response to the applicants' communication received on March 28, 2007.
2. Claims 1-3, 5-8, 10-17 are presented for examination.
3. The applicants have amended claims 1, 8, 12, and 15. The applicants have cancelled claims 4, 9, and 18-23.
4. Applicants' arguments with respect to claims 1-3, 5-8, 10-17 have been considered but are deemed to be moot in view of the new grounds of rejection.

Allowable Subject Matter

5. Claims 1-3 and 5-7 are allowed.

Claim Objections

6. Claims 8, 12, and 15 are objected to because of the following informalities:

Claims 8, 12, and 15 are objected to because the claims do not produce a tangible result. The Examiner kindly requests the applicants compare independent claim 1 to independent claims 8, 12, and 15. In this comparison, claims 8, 12, and 15 appear to be missing the following claim limitations of claim 1 that would produce a tangible result for the "lock-free look-ups" step:

(1) renaming a data file of a computer system while permitting lock-free look-ups to the data file by utilizing a temporary record to which look-ups to the data file are directed while the data file is being renamed

After careful consideration of claims 8, 12, and 15 and based on the above comparison, this step would produce the tangible results needed for the "lock-free look-ups" step of claim 1.

The remaining claims include dependent claims 10, 11, 13, 14, 16, and 17, these claims are also objected to for being dependent upon the above rejected base claims.

Appropriate correction is required.
